Notes:

1. The Annual Administration Fee applies to all validated courses and is payable for each year of study.
2. Taught modules are delivered in intensive study blocks. Depending on the programme of study, students can choose to attend Intensive Weekends, Residential Summer Schools, or a combination of the two to complete their four taught modules. Additional fees are payable depending on the Mode of Delivery chosen. **To calculate the total fee payable, add the Tuition Fee to the cost associated with whichever Mode of Delivery you will be studying those modules in (four modules total), and include the Annual Administration Fee for each year of your course.** Mode of Delivery fees are provisional, and may be subject to change.
3. This fee covers the programme costs for two intensive weekends (one module). This covers lunch, refreshments, social events and use of the facilities during your period of study. This cost does not include accommodation, which students are encouraged to arrange separately.
4. The programme costs of Summer School Mode are based on one student accommodated in a single study room arranged by Redcliffe. Equivalent costs for a double study room, family accommodation or non-residential students are available on request. This fee includes bed and breakfast accommodation for three weeks (two modules) or one-and-a-half weeks (one module), weekday main meal at lunchtime, refreshments, socials, use of the facilities and additional programme events.
5. Residential Oceania Summer School 2017 will be delivered in Sydney, Australia and is available for students taking CM1 and CM2 as part of their study programme. This fee includes accommodation; non-residential fees are available on request.
