

Mission and ministry in Muslim communities

redcliffecollege
CROSS-CULTURAL
MISSION TRAINING

Working in a Muslim community, in the UK or abroad? Redcliffe's *Mission in Muslim Contexts* module could be exactly what you need.

Wrestle with the complexities of mission in your environment, in order to develop your understanding and empower what you do.

This one-week Masters module will explore:

- Socio-cultural dynamics
- Contextualisation
- Use of Scripture
- Taking a Jesus-centred approach
- Review of current missiological and evangelistic approaches
- Gender issues
- New believers
- Identity, persecution and social positioning
- Developing local theologies

Join this module at our Summer School next year:
Monday 17 to Friday 21 July 2017

This module is delivered as part of the MA in Contemporary Missiology, validated by the University of Gloucestershire. This module is available individually, as part of an MA, PGCert, PGDip, or for non-validated audit.
